Assessed valuation ....... $18,177,360
Total population.......... 80,949
White population......... 58,355

County library service was initiated in 1937 with a W.P.A. book truck.

Both the Belton Public Library, which has a new library building secured with a P.W.A. loan, and the Honea Path Library have extended their hours with the help of W.P.A. library aides.
