Assessed valuation........ $6,655,779
Total population.......... 33,709
White population.......... 28,812

Pickens County Library Association, which had long been interested in county library service, cooperated in the W. A. plan for a county library. This association and various clubs have supported the demonstration and bought books. The central depository is at Easley. An old car which was first used as a bookmobile has been replaced by a bookmobile made possible through W.P.A. rental.
