On September 1, 1938 the Abbeville Library, which had supplemented the bookstock of the County Library since its inception in 1937, officially became part of the Abbeville County Library System. In 1937 the County Delegation appropriated $750 which was applied to a truck rented by W.P.A. and equipment, and purchase of books. The bookstock is also augmented by the use of the Erskine College books and a loan of W.P.A. books.
