Assessed valuation...... $4,940,750
Total population....... 31,634
White population....... 13,626

The Marlboro County Public Library was opened in August 1937. The Library Board and the W.P.A. have cooperated in building up the county system. A W.P.A. bookmobile and six branch libraries assure access to books to the entire county.

Plans are being formulated to extend service to the Negro schools of the county.
