

Scholarship Application

School of Library and Information Science

Completion of the scholarship application qualifies you for consideration for all scholarships. Scholarships are awarded in the FALL term only. Candidates must be admitted into SLIS to be eligible. The deadline for scholarship applications is January 15th.

The application must be submitted with a current résumé and a brief statement concerning your career objectives, how earning a degree in library and information science will help you reach your goals, and how receiving a scholarship will assist you in your endeavors. Applications submitted without a résumé or statement or that are submitted late will not be considered.
